

# HOW TO SHARE MY FAMILY COACH WITH YOUR FAMILIES

1

## Send an email

Send out our email and video to explain what our new service has to offer - and that's it's free to register.

2

## Use social media

Use our suggested social media captions and video to reach your school community online.

3

## Add us to your website

Use our suggested text and My Family Coach button image on your website for everyone to see.

4

## Share resources

Share links to our resources matched to your RSE and PSHE lessons- we've included a handy mapping document to make it easy to find them.

5

## Keep talking

Make My Family Coach a regular part of your newsletters – our content document is a great way to find the topics parents will find most useful.
